Make Your List and Check It Twice

Mark 2:13-17

Do you ever have a hard time getting out of bed in the morning? We have all been there. Need a reason to get out of bed every morning? Here it is: you have 8 to 15 people God has strategically and supernaturally placed into your life in which you can reach with the message of Jesus. They are already in your life, it's up to you to discover who they are. Imagine if your life was more about the people around you and less about you.

What It All Means: Sin should break our hearts because sin breaks people, and broken people break God's heart. It's time to share Jesus with people who don't know Him.

Next Steps: Take time this week to prayerfully consider who is on your 8 to 15 list, and don't intentionally leave the "difficult" people off your list.

Digging Deeper

Read Mark 2:13-17

Reflect: Why is Jesus' calling of Levi (Matthew) so controversial? Why do you think Levi invited Jesus to a dinner party with all of his friends? What do you think Jesus means when He says, "healthy people don't need doctors—sick people do?" How does that statement apply to our spiritual lives?

Read John 4:34-38 & Matthew 9:35-38

Reflect: What type of harvest is Jesus talking about? How can you play a role in this "harvest?" What will you do to help introduce people to Jesus?
